A Community School With a Focus on Excellence

Welcome to Kate Chegwin Jr. High School, a community of learners where excellence is fostered through our commitment to incorporating relevance, rigour and relationships into every aspect of our programming. Through our students' pursuits the fundamental qualities of character including perseverance, integrity, kindness, cooperation and empathy emerge. Our community of learners takes pride in our reputation for outstanding citizenship and academics and of course in our contemporary learning environment.

Kate Chegwin is a modern state of the art facility with a focus on providing the best available resources to students living within our attendance boundaries.

We offer:

- Pre Advanced Placement Academic Program
- Punjabi Languages program
- Regular and Strategies Programs
- French language classes
- Award winning Fine Arts / Complementary courses
- Competitive athletics
